The Process

1

Open Your Account

Visit https://bfree.care/precious-metals and tap Start Here. Register, verify your email and sign in. Complete My Details, accept the documents in Legals and wait for approval.

2

Place Your Order

Order bars in the Buy tab. Check approval status in the Orders tab.
If an order is not approved, correct it as advised and order again.

3

Pay & Authorize

Transfer payment to BFREE and attach your proof of payment in the Orders tab.
Once we confirm your funds, authorize the purchase. We buy in person, at the dealer's price.

4

Own & Track

We upload photos of your bars, their serial numbers and receipts.
Your metals and any unspent cash appear in the Cash and Metal Account tab.

5

Keep, Inspect or Collect

In Orders, request courier delivery, an in-person or remote inspection, or another service. Payments, withdrawals and stock are in the Payments & Custody tab. Get help or reports in Reports & Support.

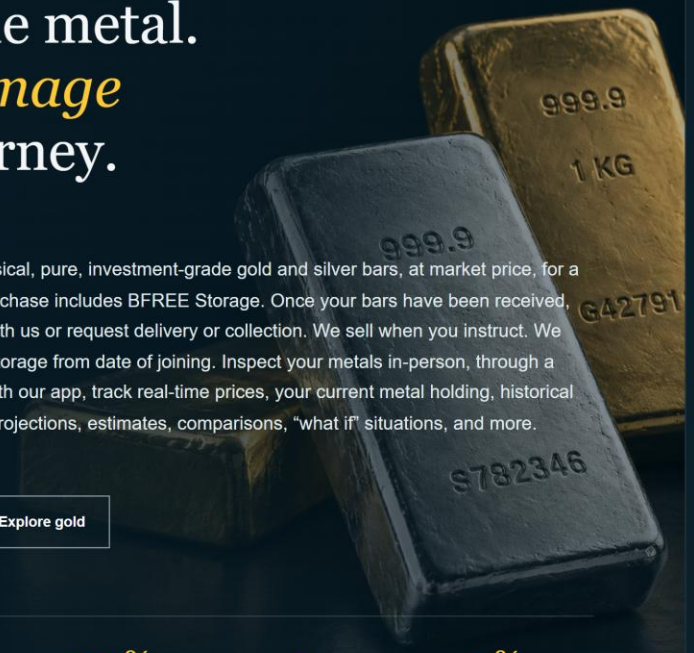

6

Sell & Get Paid

Order the sale of some or all of your bars in the Sell tab, following the same steps as your purchase.
Request transfer of the proceeds to your verified bank account in Orders.

PHYSICAL WEALTH · HELD IN THE UAE

Own the metal. *We manage* the journey.

We help you buy physical, pure, investment-grade gold and silver bars, at market price, for a service fee. Every purchase includes BFREE Storage. Once your bars have been received, you can keep them with us or request delivery or collection. We sell when you instruct. We offer 5 years of free storage from date of joining. Inspect your metals in-person, through a proxy, or remotely. With our app, track real-time prices, your current metal holding, historical performance, future projections, estimates, comparisons, "what if" situations, and more.

Strategic Wealth Anchoring for Growth - SWA-G™

It's all about wealth *protection & growth.*

The worth of your wealth is determined by the currency, legal system, and tax environment in which it resides. Deliberate, evidence-based placement of your wealth in UAE dirhams [pegged at AED3.6725 = US$1, since 1997], in an asset that is 0% tax-rated during purchase and sale [pure gold & silver bars], in a country [UAE] with 0% income, estate, and inheritance taxes, is Strategic Wealth Anchoring for Growth. It's what you should do.
